PEN PURCHASE

ILLITERATE-LOOKING, illegible writing, cramped hands and fingers, result as much from the careless buying of pens as from anything else. Everyone desiring to write well, all parents who wish their children to acquire a good style, should not buy pens in a haphazard way. Keep this little list for reference, and if you care to see our larger, more complete catalogue, let us know.

All our Pens are made in our own Factory, and are of highest grade material and workmanship. Every nib is separately examined, and everyone is as perfect as it can be made.

Boxes of assorted kinds for selection, 6d. and 1/-, are sold by Stationers everywhere. If you cannot fix on a pen to your liking, consult us.

PREFATORY NOTE.

THE PROPRIETORS of the 'POST OFFICE EDINBURGH, LEITH, AND COUNTY DIRECTORY,' in issuing the One Hundred and Ninth Edition of the annual publication, take this opportunity to bring before the notice of their Subscribers, and the General Community, some very important features in the book.

The arrangement of the Contents is as follows:—General, Streets, Professions and Trades (County, with Trades' Section), Church, Educational, Law, Medical, Associations and Clubs (Classified), Banks, Military, Public Departments, Public Halls, Institutions and Offices, Parliamentary, Societies (Approved, Friendly, &c.), Postal, Telephone Call Offices, and Inland Revenue. The List of Streets has been revised in tabular form, showing Registrars' Districts, Municipal Wards, and Ecclesiastical Boundaries, and is placed in front of Streets Directory. 'Illustrated blocks' have been introduced, and entries of this description may be arranged for in any part of the Trades Section at a moderate cost.

The Notice of the Public is drawn to the embodiment, in abstract, of the Finance (1909–10) Act, 1910, under Stamp and Inland Revenue Duties. Subject to the Amendments of Act 1914, this Act provides for Duties on Land Values, Amendment of Death Duties, Legacy Duties, and Income Tax; Stamp Duties on Conveyances and Transfers of Sales, and Marketable Securities and Leases; Duties on Motor Spirits, and Motor Car Licences, etc. The List of Approved Societies under the National Health Insurance Act is also shown.

It is the aim of the Proprietors, as far as possible, that the Streets Directory should be reserved for the names of occupiers only, and a charge will be made for all entries exceeding one line; the fuller information 'contained in the General,' viz. occupations, designations, titles, etc., being sufficient for purposes of reference.

The Map and Plan of the City is uncoloured, except the boundaries, where the divisions, Parliamentary and Municipal, are shown in distinctive colours. The streets and places are marked in black ink, and may be easily discerned, while the paper itself is of a superior texture, and will be more enduring.

The Proprietors desire to express their gratitude to the public for the unfailing and liberal support accorded to them from year to year, and also to the gentlemen connected with the various Public Institutions and Societies who revise and add to the Miscellaneous Section.

Notwithstanding the amalgamation of Portobello, and other outlying districts, with Edinburgh, these places are still treated for Postal purposes as formerly, and are not included in the ordinary deliveries from the General Post Office.

Every effort has been made to ensure accuracy, but the Proprietors do not accept responsibility for errors or omissions.

*** All communications on Directory business addressed to the EDITOR, POST OFFICE DIRECTORY OFFICE, will receive careful and prompt attention.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century. For example:—"The Letters were arranged thus, E D C B A G F for years 1800 to 1899 (the year 1800 beginning with a Wednesday); and for 2000 to 2099 they will be arranged B A G F E D C (the year 2000 beginning with a Saturday)."
